APPLICATION FOR SWIMMING POOL PERMIT
FORKS TOWNSHIP
Northampton County, Pennsylvania
OFFICE OF ZONING AND BUILDING ADMINISTRATION

Two Copies of <u>Grading Plans</u> must accompany this application for <u>Inground Pool</u>.

<u>SWIMMING POOLS:</u> Swimming pools shall be located no closer than ten (10') feet from the water's edge to the side and rear property lines. Above or in-ground swimming pools must be completely enclosed with a minimum four (4') foot high fence. Swimming pools that are at least four (4') feet above the ground need not be fenced if the construction is such that it prevents access to the water. Pools with the inflatable top ring that rises as the pool is filled and is deeper than 24" must meet all the requirements of the International Residential Code (IRC). The code states that a 48" high barrier must surround the pool with self-closing/latching gates that open away from the pool. Along with fence requirements, applicable electrical requirements shall also apply.
